VA to host Nationwide ‘Baby Shower’ for Mother’s Day

WASHINGTON — To honor and support Veterans welcoming new children into their families in 2018, 60 U.S. Department of Veterans Affairs (VA) Medical Centers (VAMC) around the country will host baby showers between May 5-16, the weeks surrounding Mother’s Day, in partnership with the Elizabeth Dole Foundation.

“The Nationwide Baby Shower will ensure Veterans have what they need to focus on the joy of growing their families in those stressful first weeks,” said acting VA Secretary Robert Wilkie. “With this effort, our goal is to celebrate Veteran parents — especially moms — while also increasing awareness of VA’s comprehensive maternity care services and to encourage women Veterans to Choose VA to support their health and wellness goals.”

Women make up approximately 10 percent of the Veteran population in the United States, and nearly half of the nation’s 2 million women Veterans are of reproductive age. VA offers comprehensive primary care, prenatal and preconception (pre-pregnancy) care, infertility services, maternity care services and the first seven days of newborn care.

The Elizabeth Dole Foundation, a nonprofit organization that advocates for military caregivers, is expanding its existing relationship with VA by aiding in welcoming the newest caregivers to the Veteran community through local support and volunteer efforts at each baby shower location. Philips, the Veteran Canteen Service and other partners are also supporting this initiative, which will provide new Veteran parents with items to help new parents and babies.

Over 2,400 new Veteran parents and new Veteran parents-to-be will be recognized at the events. At least one VAMC in every Veterans Integrated Service Network is participating. All 60 sites can be found here: <https://www.va.gov/womenvet/acwv/babyShower.asp>.

For more information about VA’s benefits and services for women Veterans, as well as the Nationwide Baby Shower, visit www.va.gov/womenvet.

Alibaba Opens First Self-Service Test Drive Center in China

Chinese e-commerce giant Alibaba Group, through its online retail arm Tmall, has launched a multi-story facility in Guangzhou, China that acts as a gigantic “vending machine” for cars in what the company calls as the ultimate try-before-you-buy experience.

The 1,000-square-meter steel building located in Baiyun District houses up to 42 vehicles ready for self-service test drives.

Using the Tmall or Taobao apps, customers can search the keywords “super test drive” to book an appointment for a three-day test drive.

A service fee of 99 yuan to 198 yuan (\$16 to \$31), depending on the model, is required along with 3,000 yuan (\$476) for the deposit.

Vehicles from Michigan-based automaker Ford Motor Company will be exclusively sold during the facility’s first month of operation.

If customers decide to buy the vehicle after the test drive, they can do so at a Ford retail store.

Other car brands may soon be available for the service.

Tmall eyes Beijing and Hangzhou as the next locations of this similar facility.

Sundt/Walsh, A Joint Venture**Request for Proposals for Scope I Re-Bid
Site Preparation
ADVERTISEMENT FOR SUBCONTRACTOR PROPOSALS**

Subject to conditions prescribe by the City and County of San Francisco, CA responses to this bid request are sought from subcontractors for various Work Packages/Scopes.

PROJECT DESCRIPTION:

The intent of this project is to replace the existing Headworks Facility at the SE Water Pollution Control Plant with a new all-weather 250 MGD Headworks Facility. This solicitation is for Scope I Site Preparation.

Scope I - Site Preparation

Primary focus of this Scope is to prepare the site for the demolition and reconstruction of the new headworks structure. This work includes construction of pipe support structures, new utility trench C, primary influent junction structure, shoring, drilled shafts, 66" pipe, and other miscellaneous mechanical reconstruction. This advertisement is for Scope I.

SCOPE/DRAWINGS:

The drawings for Scope I are included in the Plan Room on Smartbidnet.com. The estimated cost for Scope I is \$20 million. The scopes being sought for this project are Mechanical, Fence & Gates, and Civil/Concrete. Scope summaries are detailed in Exhibit A in the plan room on Smartbidnet.com.

PROJECT SCHEDULE:

Currently this work is scheduled to commence in the Summer/Fall of 2018.

PRE-QUALIFICATION OF PROSPECTIVE SUBCONTRACTORS: The owner has determined that subcontractors who submit bids to Sundt/Walsh on this Project must be pre-qualified. Those subcontractors who pre-qualify will be allowed to bid on the above Scope of Work. The following project-wide participation goals have been stated in the documents. LBE-15%, MBE-6.4%, WBE-2%

Interested firms may obtain Pre-qualification Documents on the Smartbidnet.com website or by contacting David Cooley, via e-mail at dcooley@sundt.com. **All prequal documentation must be submitted by May 1, 2018.**

All completed documentation should be submitted to David Cooley, via e-mail at dcooley@sundt.com. All bid documents must be submitted no later than **May 14, 2018 by 2:00 pm**. Confidentiality of the information provided will be respected to the extent permitted by law.

All subcontractors and Bidders are hereby notified that work to be performed under this contract will be in full or in part financed by the Clean Water State Revolving Fund (SRF), administered by the United States Environmental Protection Agency (US EPA) and the State Water Resources Control Board (SWRCB). The bidder shall comply with all applicable terms and conditions, special provisions, and reporting requirements, as set forth in these specifications, and as may be required by federal law, rule, or regulation. Refer to Contract Section 00 48 10.01 for more information. **Please note the requirement of this specification in regards to advertisement by first tier subcontractors. This will require all first tier subcontractors to advertise by April 11, 2018.** Any proposals received that do not meet the requirements of this specification will be deemed non-responsive.

Pre-Bid Meeting

A Pre-Bid meeting will be held at the SFPUC Contractors Assistance Center located at 150 Executive Park Blvd, Suite 1300, San Francisco, CA 94134. The meeting will begin at 10:00am on April 6, 2018

QUESTIONS: Direct all project specific questions to David Cooley at Sundt/Walsh. All questions should be submitted via e-mail. The e-mail address is: Dcooley@sundt.com.
