VA Celebrates African-American Veterans throughout February

WASHINGTON —Today the U.S. Department of Veterans Affairs (VA) announced several events in celebration of African American History Month.

“All of our Veterans have a story to tell,” said VA Secretary Dr. David J. Shulkin. “It’s an honor to be able to celebrate the accomplishments of African-Americans who, despite myriad challenges, have made a profound, lasting impact in the story of our nation.”

This year’s national theme is “African Americans in Times of War,” which calls attention to the heroic contributions of African Americans during the nation’s military conflicts, from the Revolutionary War to present-day operations.

VA Center for Minority Veterans (CMV) in partnership with Blacks In Government and the Congressional Black Caucus (CBC) Braintrust will host a reception at the African American Civil War Museum located at 1925 Vermont Ave., NW, on Feb. 21 from 5:30-8 p.m.

The event will include a reception, a showing of short films celebrating African- American Veterans, an update on the CBC Veterans Braintrust and a four member panel of Veteran speakers with an opportunity for questions. The event is free and open to the public. Attendees must register at the following link: [CMV Reception](#).

In continued celebration of African American History Month, Barbara Ward, director of Center for Minority Veterans, will moderate a roundtable discussion on the Vets Speaks radio program hosted by the Kentucky National Association for Black Veterans. The roundtable is scheduled for Feb. 12, from noon to 12:30 p.m.

Additionally, CMV, in partnership with Women In Military Service For America Memorial Foundation and The Center for Women Veterans, will host a luncheon at the Women’s Memorial located at Arlington National Cemetery on Feb. 27, from 11:30 a.m. to 1 p.m. The event will feature guest speaker, Verna Jones, executive director of the American Legion, followed by a series of short films celebrating African-American women Veterans. This event is free and lunch will be provided. Attendees must register at the following link: [CMV Luncheon](#).

Advancing Building Estimation 2018

May 14, 2018 – May 16, 2018 • Dallas, Texas

Hear the Very Latest Best Practices from Conceptual Estimating to Managing Design Changes

Preconstruction is changing. Estimates have to be turned around at rapid speed to keep up with consolidated project schedules. Trends such as design assist and alternative contract types are disrupting the roles and responsibilities of staff. BIM continues to push the cutting edge further from the traditional take-off process. Conceptual estimating and bidding is becoming more data driven and giving contractors a competitive edge to winning work.

In this context, Advancing Building Estimation 2018 returns for its third year, bigger and more diverse than ever, to bring clarity to this disruption and help you to form a strategy for your preconstruction and estimating team.

Join us in Dallas at the largest event in North America dedicated to building estimation. You’ll meet like-minded general contractors, subcontractors, owners and architects who are all working to leverage technology and optimize processes to improve estimating accuracy and the timeliness of cost updates.

Through presentations, workshops and interactive activities you will return to the office with an informed, detailed strategy for your preconstruction team.

What are you waiting for? The last two years have been a sell-out, so register your places today, to avoid disappointment.

Granite Rock Company is requesting sub-bids from qualified
DBE Subcontractors/Suppliers for the following project:

Caltrans - Contract No. 05-1C9904

**Construction on State Hwy in Monterey County near Monterey at Various Locations
from Carmel Valley Road to 0.3 Mile North of Fremont Blvd. And on Route 68
at 0.1 Mile East of Route 1 - Federal Project No. : ACNH-X53 (030) E
Bid Date: Thursday, March 8, 2018 at 2:00 PM**

Engineers Estimate: 2,600,000.

All bid items are available *particularly these*: Lead Compliance Plan, Construction Area Signs, Traffic Control, Channelizer, PCMS, K-Rail, Temporary Crash Cushion Module, Prepare Storm Water Pollution Prevention Plan, Treated Wood Waste, Clearing and Grubbing, Hazardous Waste Removal, Erosion Control, Treated Lumber and Timber, Adjust Utilities, Minor Concrete, Fencing, Object Marker, MBGR, Alternative Crash Cushion, Striping, Modify Existing Electrical System, & Trucking.

Granite Rock Company 'Graniterock' is signatory to Operating Engineers, Laborers, Teamsters, Carpenters and Cement Masons unions. Plans and Specifications are available in our Estimating Office located at 5225 Hellyer Avenue, Suite 220, San Jose, or electronically at Caltrans Office Engineer website www.dot.ca.gov/hq/est/oe/. 100% payment and 100% performance bonds in the amount of the subcontractor's bid will be required from a qualified surety company. Subcontractors must possess a current contractor's license, DIR number, insurance and worker's compensation coverage. Bonding assistance is available. Graniterock will pay bond premium up to 1.5%. In addition to bonding assistance, subcontractors are encouraged to contact Graniterock Estimating with questions regarding obtaining lines of credit, insurance, equipment, materials and/or supplies, or with any questions you may have. Subcontractors will be required to enter into our standard contract. DBE Subcontractors must be listed by the CUCP for the work category code(s) that apply to the scope of work they are quoting. Graniterock will break down items of work to facilitate DBE participation. Graniterock intends to work cooperatively with all qualified DBE / SBE firms seeking work on this project. Granite Rock Company is an Equal Opportunity Employer.

M/W/D/DVBE SUB-BIDS REQUESTED

Tahoe Truckee Unified School District, Kings Beach Elementary

Page 2 of 2

The lowest bid shall be determined on the amount of the base bid and any alternates.

The Owner reserves the right to add or deduct any of the additive or deductive items after the lowest responsible and responsive bidder is determined.

Pursuant to Public Contract Code section 20111.6, this Project is subject to prequalification for certain prime contractors and certain subcontractors. If a bidder for prime contract work that is required to be prequalified is not prequalified, or designates a subcontractor that is required to be prequalified but is not prequalified, Owner **WILL NOT** accept the bid. Any prime contractor that is a general building contractor (B License) within the meaning of Business and Professions Code section 7056 or a general engineering contractor (A License) within the meaning of Business and Professions Code section 7057, and any subcontractor submitting bids or listed for work requiring C-4, C-7, C-10, C-16, C-20, C-34, C-36, C-38, C-42, C-43, or C-46 licenses, must have current prequalified status with the Owner. **Tahoe Truckee Unified School District shall process all pre-qualification applications at www.qualitybidders.com**

The Project is a public works project subject to compliance monitoring and enforcement by the Department of Industrial Relations. No contractor or subcontractor shall be qualified to submit a bid or to be listed in a bid proposal subject to the requirements of Public Contract Code section 4104, or be qualified to enter into or engage in the performance of any contract unless currently registered and qualified under Labor Code section 1725.5.

One **Pre-Bid Conferences/Site Walk**, which is **not mandatory**, will be held on **February 13, 2017** at 3:00 p.m. at the front entrance to the **Kings Beach Elementary School, 8125 Steelhead Avenue, Kings Beach, CA 96143**.

District will transmit to all prospective Bidders of record such addenda, as the District in its discretion, considers necessary in response to questions arising at the Site Visit. Oral statements shall not be relied upon and will not be binding or legally effective. Bidders in contention for contract awards shall also be required to participate in a Post-Bid interview.

The Owner will require the successful Bidder to achieve the **minimum goal of 3% DVBE** (Disabled Veteran Business Enterprises) established in the bidding documents or to provide acceptable evidence of good faith efforts to do so. The DVBE documents must be sealed and filed in the Business Office of the Owner within four (4) working days of the bid opening.

Owner, or its designee, has determined that certain materials, services, products or things designated by specific brand or trade name shall not be subject to Public Contract Code section 3400(a) in order to match other materials, services, products or things in use on a particular Owner public improvement either completed or in the course of completion. **These specific products are Direct Digital Control System for HVAC - Tridium Niagara, Schlage Lever handles and Everest Primus Cylinders/Keys.**

Bids must be accompanied by a bidder's bond, cashier's check, or certified check for at least ten percent (10%) of the amount of the base bid and made payable to the Owner. Pursuant to the Contract Documents, the successful bidder will be required to furnish a Payment (Labor and Material) Bond in the amount of one hundred percent (100%) of the Contract Sum, and a Faithful Performance Bond in the amount of one hundred percent (100%) of the Contract Sum, said bonds to be secured from Admitted Surety insurers (an insurance organization authorized by the Insurance Commissioner to transact business of insurance in the State of California during this calendar year). The surety insurers must, unless otherwise agreed to by Owner in writing, at the time of issuance of the bond, have a rating not lower than "A-" as rated by A.M. Best Company, Inc. or other independent rating companies. Owner reserves the right to approve or reject the surety insurers selected by the successful bidder and to require the successful bidder to obtain bonds from surety insurers satisfactory to the Owner. The bidder will be required to furnish insurance as set forth in the Contract Documents.

The successful bidder will be allowed to substitute securities or establish an escrow in lieu of retainage, pursuant to Public Contract Code Section 22300, and as described in the Agreement Between Owner and Trade Contractor and General Conditions.

The Owner will not consider or accept any bids from contractors who are not licensed to do business in the State of California, in accordance with the California Public Contract Code, providing for the licensing of contractors. In accordance with Section 3300 of said Code, the bidder shall have the license stated in the Notice to Bidders and shall maintain that license in good standing through Project completion and all applicable warranty periods. Bidder shall state the California contractor license number on the Designation of Subcontractors form for all subcontractors doing more than one-half of one percent (0.5%) of the bidder's total bid.

Owner reserves the right to reject any bid as nonresponsive if bidder or any subcontractor is not licensed in good standing from the time the bid is submitted to Owner up to award of the Contract, whether or not the bidder listed the subcontractor inadvertently, or if a listed subcontractor's license is suspended or expires prior to award of the Contract. The Owner reserves the right to waive any irregularity or minor informality in the bid and to reject any or all bids, accept or reject any portion or combination thereof, or award on the basis of the total bid when to do so is in the best interest of the Owner.

Prevailing Wages must be paid for work on the project as required by law. Copies of the required rates are on file at the Owner's business office and are available to any interested party on request.

Unless otherwise required by law, no bidder may withdraw its bid for a period of sixty (60) days after the date set for the opening thereof or any authorized postponement thereof. The Owner reserves the right to take more than sixty (60) days to make a decision regarding the rejection of bids or the award of the Contract.
